Meeting Called to Order
Chair Adriel Person greeted the members and called the May 4 meeting to order at 5:33 p.m. Group discussed how to proceed given lack of seven voting members required for a quorum (only six were present at the start of the meeting; two more (Andy Jacob and Vice-Chair Bonilla) joined later in the meeting but two others (Co-Chairs Person and Crews) had to leave before the meeting was over. Conclusion was that Q&A could take place, but no decisions / votes could be taken.

Two primary suggestions were brought forward and discussed as potential recommendations for the committee's report to the Board – increasing Budget transparency for better public understanding and to build trust, and establishing benchmarking with local and peer district groups as well as the Council of the Great City Schools (CGCS).

Staff and committee members reviewed and clarified sections of the budget in detail. Vice-Chair Bonilla summarized overarching themes of:

- Transparency / legibility of the Budget for the public (e.g., differentiation between funding types);
- Feasibility of some budget assumptions;
- Establishing benchmarking with peer districts, including thoughts on defining a "peer district" (Seattle, Denver, San Francisco, Beaverton and Sacramento mentioned). Vice-Chair Bonilla shared the Secretary of State's 2019 audit of PPS, updated in 2022, linked HERE;
- Analysis of blended classroom model;

- Possible alternative funding sources, such as leasing or sale of surplus buildings, recoginzing that sales revenue would be one-time funding). Consideration of a Community Benefits Agreement with the MODA Center, to benefit school sports, was mentioned.
- Changes to fundraising
- Choosing equitable instructional resources
- Preservation of programs such as ACCESS and ELD.
- Consideration of lower-cost contracted and other services (e.g.changing from MAPS to state-sponsored testing option);
- Encouraging advocacy at the state level.

Student member Posada suggested reviewing last year's for formatting etc.; linked HERE.

Final Thoughts and Feedback
The group acknowledged that a lot of information was covered; shout-out to Budget Manager Martin for the robust Budget document.

Adjournment
Vice-Chair Angela Bonilla thanked the committee and adjourned the meeting at 7:33 p.m.
