Board Policy 7.10.020-P

Districtwide Advocacy and Fundraising

Parent and community-based organizations and individuals make important contributions to support PPS school communities and programs, as well as students and staff. Elements of that support include advocacy in support of PPS schools and fundraising to pay for a wide variety of activities and projects. This policy is designed to foster a spirit of community and shared purpose and facilitate collective impact on behalf of PPS students. Given our common mission and vision, PPS encourages parents and community groups to advocate, fundraise and support improving the educational experience districtwide in alignment with our racial equity and social justice values.

I. Local School Foundations and school or program fundraising:

An inclusive districtwide foundation, designated by the Board, will serve as the districtwide advocacy and fundraising entity and serve as the fiscal agent for the Local School Foundations (LSFs).

II. Fundraising for Staff and Contracted Staff:

Effective July 1, 2024, donations for staff positions may be collected only by the designated districtwide foundation in a single, combined fund account. Donations will be accepted from Local School Foundations, Independent School Foundations, nonprofits, corporations/businesses and individuals. A formula for the distribution of any funding to individual schools will be developed in advance of the school year by a Parent Advisory Committee, shared with school administrators for feedback, and a recommendation made to the Board for its approval.

III. Registration and Reporting

All groups affiliated with PPS and individual schools or programs that fundraise $20,000 or more in aggregated funds in a school year for PPS school-related activities are encouraged to register with PPS by September 30 in the following school year, sharing their officer names and contact information.

The Board of Education will receive annually a report at the end of PPS's fiscal year sharing the districtwide foundation's donations, expenditures, and major projects.

IV. Other Requirements

Entities that fundraise to support individual schools will:

A. Provide ways for all members from the benefitting school or program who wish to participate in a fundraising event or activity to have an avenue to participate.

B. Not communicate, share, or maintain expected per-family or per-student fundraising targets.

C. Include and inform the broader school community about fundraising decision-making processes, especially including families whom the educational equity programs are meant to benefit.

D. Adhere to PPS policies, administrative directives, and other PPS requirements.

V. Other Provisions

For purposes of this policy, Staff and Contracted Staff includes all manner of contracted positions if the position compensation exceeds $15,000 in a school year.

The designated districtwide foundation will have a Board of Directors of sufficient size given PPS's enrollment, and members should have diverse experience to support the activities of the foundation.
