- **I can** describe the basic mechanics and equity considerations of the lottery process.

Educational Options Policy (6.10.022-P)

“The Board is committed to providing a quality school near every student’s home and an appropriate learning environment for all students, including those with special needs, within their home cluster. The Board also is committed to providing other educational options. The Board believes that all of these educational options contribute to the health of the district and the community….

The purpose of educational options is to offer students and their families meaningful choices that meet the different learning needs and educational interests of all students.”

Definitions: Educational Options Policy

Neighborhood School

A school serving a designated attendance area. As a center for many community activities, neighborhood schools are also important to the neighborhood as a whole.

Program

An educational component of a school offering specialized instruction, a focus on a particular theme or instructional approach or other ways to meet student needs.

Focus Option

A separate Board-recognized school or program structured around a unique curriculum or particular theme. Focus options may be part of or co-located in the same facility as a neighborhood school or other focus option.

Alternative Educational Option

A school or separate or individualized program designed to meet the academic, social, and behavioral needs of an identified group of students.

How Does The Lottery Work?

Applicants

ETC verifies eligibility based on age, district residence, and applicable factors:

- Sibling status
- Family income
- Home language (DLI)
- Neighborhood balancing

Lottery

Software creates ordered results based on:

- Available seats
- District priorities
- Random numbers

Available Seats

Determined with school principals based on:

- Future staffing levels
- Current enrollment
- Historical patterns

Policy & Priorities

Siblings (first choice) and income eligibility.

- Verified prior to lottery engine run.
- Gender weight applied for enrollment balance.

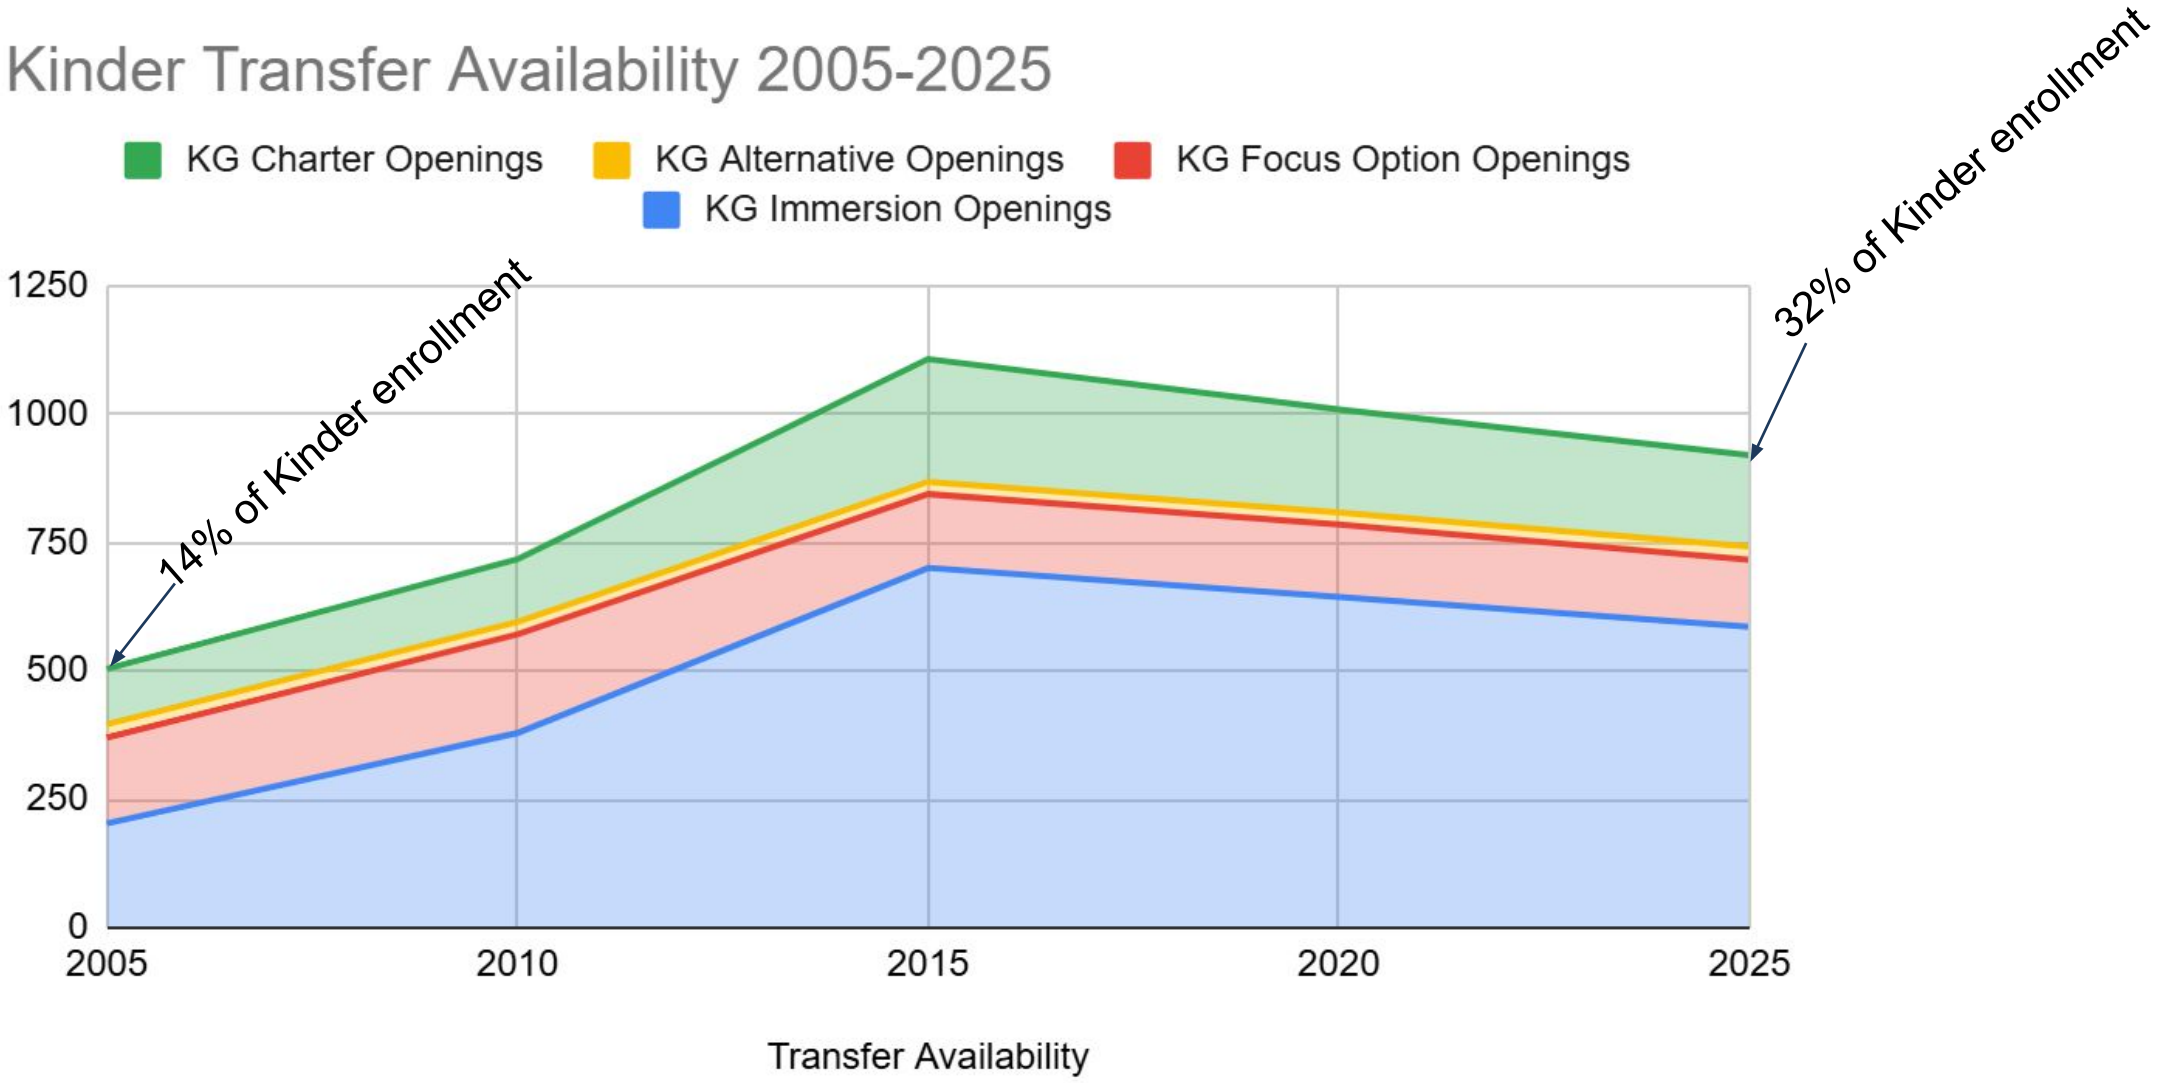

Sub-groups:

- DLI language & Neighborhood/Regions
- Dr. King Chinese Immersion groups
- Benson Balancer

The Process

- First choice applications processed before lower choices.
- Max **one** lottery offer per applicant.
- May be waitlisted for higher choices while receiving a lower choice offer.
