The Teaching and Learning Committee is discussing screen time concerns and we will discuss a policy proposal in the Policy Committee. Committee Directors Chase-Miller and DePass are

bringing a draft policy based on the LA Unified Policy forward for discussion at the two Committees. The Teaching and Learning will be a space to continue to have the conversation. There is a lot of interest in the topic from a variety of stakeholders, including parents, students and teachers. A draft has been shared with staff for review. We will get community input, and input from other stakeholders. There will be opportunities to review and provide comment on the draft policy.
