2025-26 Program Investments
A Year of Districtwide Impact

Thanks to the generosity of donors across Portland, The Fund invested into student success at the majority of schools districtwide this year.

High Impact Tutoring for K-3rd grade students	**400+**
Math Supports for 9th-10th grade students	**7,000**
Food Pantries in 20 Community Schools	**7,000**
Total Student Support for 2025-26	**14,400+ students served**

Every dollar was directed by the Parent Advisory Committee.

High Impact Tutoring is a Proven Literacy Strategy Benefitting K-3 Students

With our investment of $660,000, 45 schools received in-person High Impact Tutoring (HIT) in literacy skills this school year.

- 30 schools had tutors from Reading Results
- 15 schools had Educational Assistants, including bilingual tutors in Spanish DLI
- Tutoring was 3x/week - 30 minutes per session - 30 weeks
- Students were more likely to attend school on tutoring days

2026-27 Program Investments Recommended by Parents and Students

On June 8, 2026, the Parent Advisory Committee recommended **$152,000** for next school year, and The Fund's Board added **$10,000** more for food assistance.

High Impact Tutoring - 7 additional schools	**$144,000**
Food Pantries - 9 Community Schools	**$18,000**
Total Investment in PPS for 2026-27	**$162,000**

With this investment, **47 PPS elementary schools** will receive High Impact Tutoring to **more than 1,000 students** districtwide. This is an important continuation of services for most school communities.
