Student Use of Personal Electronic Devices in Schools X-XX-XXX-P

We are committed to supporting student mental health and wellbeing and to creating environments where students feel safe, welcome, and excited to learn. Peer and student-to-teacher interactions are fundamental to learning, and we must create the conditions that allow students to be engaged, focused, and challenged so they can reach their full potential. We are committed to understanding quality research on the use and impact of Personal Electronic Devices on the educational environment and adopting best practices as they evolve.
