Resolution No. 7038

A Resolution of Portland Public Schools, Multnomah County School District No. 1J, Multnomah County, Oregon, Calling a Measure Election to Submit to the Electors of the District the Question of Authorizing $1.83 billion of General Obligation Bonds and Providing for Related Matters

RECITALS

A. The Board of Education directed PPS staff to develop a general obligation bond ballot title and explanatory statement for the Capital Improvement Bond Proposal and present those documents to the Board at its meeting on January 7, 2025, for authorization for submission to the county elections officer to be placed on the ballot at the May 2025 election.

B. In response to the Board's direction, PPS staff developed the general obligation bond ballot title that is attached as Exhibit A and the explanatory statement that is attached as Exhibit B.

C. Many PPS schools remain in critical need of renovation and upgrade to provide students with modern learning facilities and to address inadequate building structures or systems. More than half were built before 1940. Before the 2012 bond, only two schools had been built in the last 35 years.

D. PPS is committed to providing students across the district access to warm, safe and healthy learning environments so our students are prepared for life, college, and career, and to meaningfully contribute to their communities.

E. In 2012, voters approved the first in the series: a $482 million bond, which funded the modernization of Franklin, Grant, and Roosevelt High Schools; Faubion PreK-8 school; and funded other capital projects at 52 schools, including upgraded science classrooms, new roofs, improved accessibility, and seismic improvements.

F. Then in 2017, voters approved the second in the series: a $790 million bond to fund the modernization of Benson, Lincoln, and Madison High Schools and Kellogg Middle School; and addressed health and safety issues, including reducing exposure to hazardous materials and improving water quality, improving accessibility, and addressing fire safety.

G. In 2020, voters again approved a bond to continue the important work on and in our schools: a $1.2 billion bond to fund the modernization of Jefferson High School, completion of Benson High School, and planning for the modernization of Cleveland and Ida B. Wells High Schools; address health and safety issues, including heating and cooling systems, roofs, and other critical building systems; improving security; improving accessibility; funding of the Center for Black Student Excellence; and providing updated curriculum and technology, among other investments.

H. Many schools are still in need of urgent repair and upgrades to provide students with modern learning environments and to address inadequate building structures or systems. If approved by voters, the 2025 PPS Bond will continue progress toward the vision of improving every school over the long term, to make the District's schools modern, warm, safe, and welcoming places for our students to learn and excel.

I. This bond is estimated to maintain the same tax rate ($2.50/$1,000 in assessed value), while PPS continues to invest in modern, safe, and healthier schools.

J. Based on staff recommendations, supported by community feedback and driven by PPS's core values and vision for its graduates, the Board has identified a bond option that includes funds to fully modernize Cleveland and Ida B. Wells High Schools, complete the modernization of Jefferson High School, address aged building systems, improve athletic and physical education facilities, and

update technology and curriculum. This will result in the modernization of every Portland Public Schools high school

K. The Board acknowledges with tremendous gratitude the support of Portland voters for school bonds in 2012, 2017, and 2020 and commits to the continued modernization of schools to provide the health, safety, and learning opportunities that every child in Portland deserves.
