Appendix

Financial Pressures Contributing to Our Shortfall

Rising Costs

Inflation has resulted in higher costs of goods and services.

We have invested in our employees' compensation and teacher planning time. PERS costs are also rising.

Our student needs continue.

Limited Revenue

Our state dollars continue to fall short of the costs to operate our schools.

We have less special revenue, including the end of federal pandemic aid.

Declining Enrollment

We have fewer students and the same number of buildings.

Our funding is dependent upon number of students.

Since 2020, PPS's student enrollment has declined 9.5%, faster than Oregon's (6%), and is projected to continue to decline.

Our Why

Our mission is to educate all children to their highest potential to be productive, respectful, self-reliant, and responsible citizens who value the richness of diversity.
