Opposed to closing Rieke	9
Support closing Rose City Park	1
Opposed to closing Rose City Park	28
Support closing Hollyrood	1
Opposed to closing Hollyrood	47

Notes: These numbers will not total neatly, as many emails contained more than one message and as a result were noted in multiple columns. Additionally, at least 160 form emails were generated from a website (www.lemonops.org), which is why the number of "generally opposed" emails is so much higher than the school-specific count.
