CBRC Charter

MISSION

The mission of the Community Budget Review Committee (CBRC) is to review, evaluate, and make recommendations to the Board of Education (Board) regarding the Superintendent's Proposed Budget and other budgetary issues identified by the CBRC or the Board. The CBRC serves as an advisory group to the elected members of the Board.

STRUCTURE

The CBRC is composed of eight to thirteen volunteer members. From an applicant pool, members are selected and appointed by the Board to a three-year term, and may serve up to three terms. Student members are appointed to one-year terms.

Meeting & Committee Norms

Board Advisory Body Key Guidance

- ➔ The Board recognizes that District employees and community members bring specialized knowledge and expertise to the CBRC and budgetary review process.
- ➔ The Board instructs all CBRC members to employ discretion, avoid conflicts of interest and their appearance, exercise care in performing their duties, and avoid making recommendations from which they may personally benefit.
- ➔ A majority of the entire committee is required to approve any motion. A majority is one more than half of the members.
- ➔ Budget topics may be discussed outside of the public meeting as long as there is not a majority of the committee engaged in the discussion.

CBRC Leaders

- ➔ The CBRC shall elect a Chairperson, known as presiding officer (or Co-Chairpersons). A vice chair may be elected. The vice chair position is created to chair meetings in the absence of a presiding officer.

Role of Staff

- ➔ District staff and the board liaison are to provide support and resources as necessary. They will not be voting members of the committee.

TOGETHER, WE RISE

Proposed Preliminary Recommendations

Equity Lens in Planning

PPS is committed to transparent and student-centered decisions.

Our district continues to direct resources based on student need and uses data and community input to inform decisions.

Key questions guided this process:

- ➔ Who is impacted?
- ➔ Does this recommendation reduce disparities?

As the District faces difficult decisions to close the budget gap, it is critical we hear from communities to inform planning for future school years.

Financial Pressures Contributing to Our Shortfall

Rising Costs

Inflation has resulted in higher costs of goods and services.

We have invested in our employees' compensation and teacher planning time. PERS costs are also rising.

Our student needs continue.

Limited Revenue

Our state dollars continue to fall short of the costs to operate our schools.

We have less special revenue, including the end of federal pandemic aid.

Declining Enrollment

We have fewer students and the same number of buildings.

Our funding is dependent upon number of students.

Since 2020, PPS's student enrollment has declined 9.5%, faster than Oregon's (6%), and is projected to continue to decline.

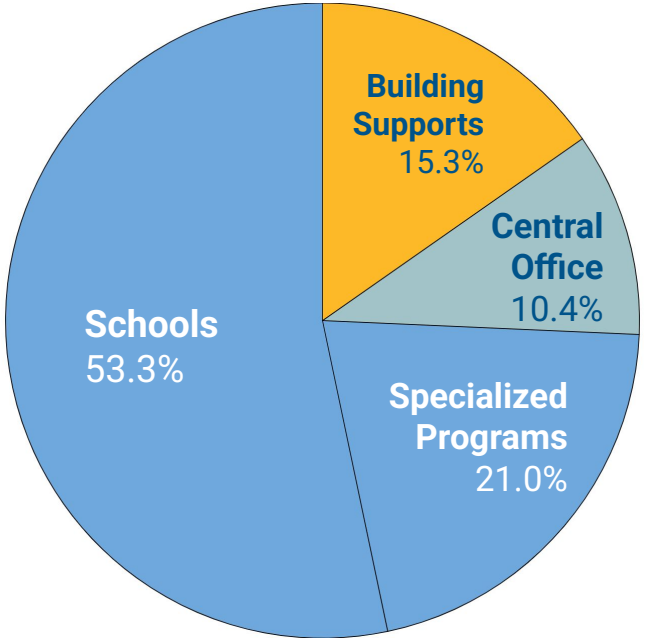

Reduction Targets*

Overall Gap = $50 - $55 Million

Ranges by Service Area

- ➔ Schools = $26.7 - $30M
- ➔ Central Office Services and Support = $22.9 - $25M
  - ◆ Specialized Programs = $10.2 - $11.2M
    - (Ex. Dual Language Programs, Head Start, Virtual Scholars, IB & AP)
  - ◆ Building Supports = $7.4 - 8M
    - (Ex. Facilities & Asset Management, Security, Utility Services)
  - ◆ Central Office = $5.3 - 5.8M
    - (Ex. Finance, Communications, Health & Safety, Core Academics)

Proportionality of Budgeted Expenses

Current Budget Work and Outlook

- Projected $50 Million Dollar Gap for SY2627 (FY27)

- Central Office Services and Support: ~$25M

- Schools (Academic Program Design Group): ~$25M

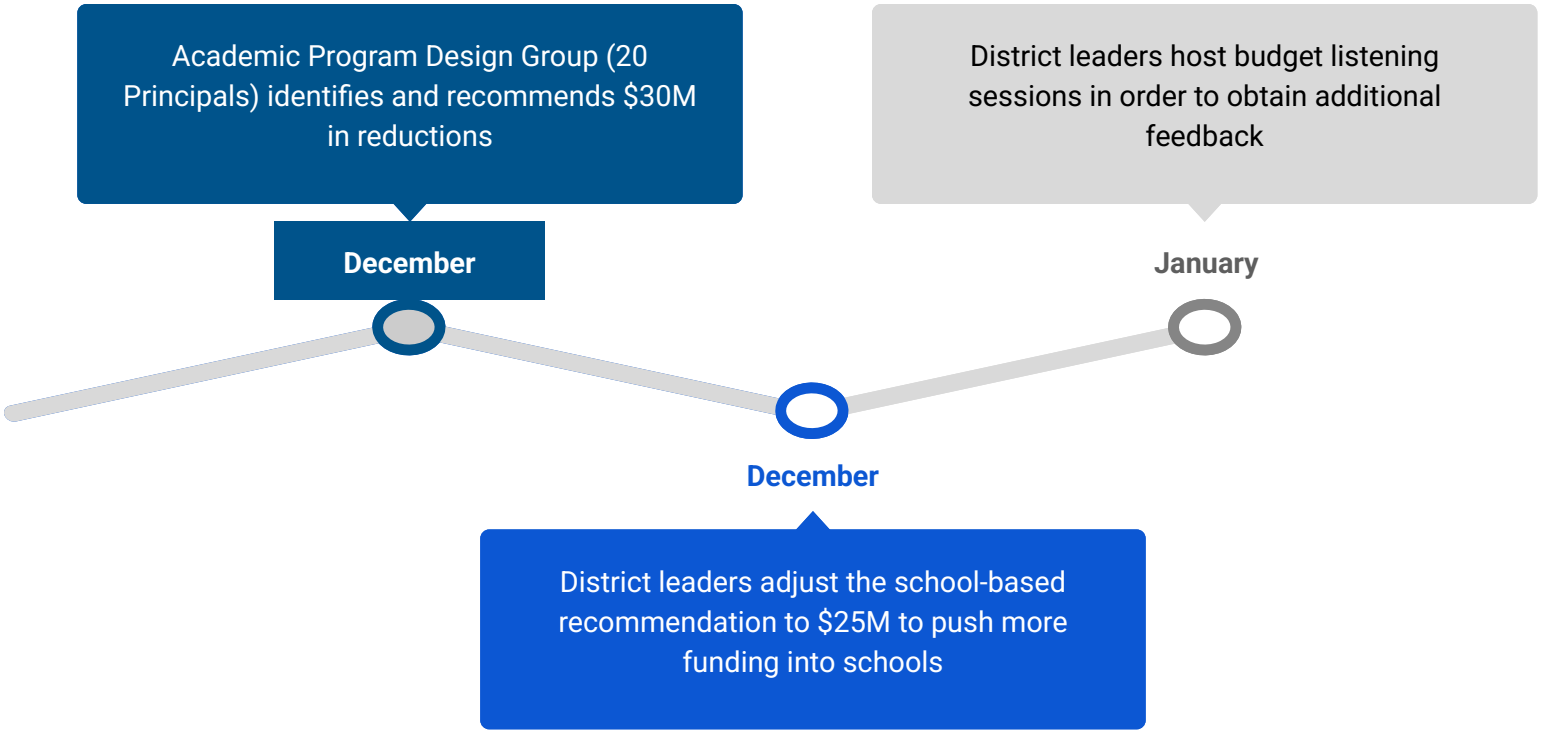

- Now: Stakeholder Engagement and Feedback Collection
