STAFF REPORT

DATE: January 2, 2026

TO: PPS Board of Directors

FROM: Michelle Morrison, Chief Financial Officer

CC: Superintendent Kimberlee Armstrong

SUBJECT: Charter Revision and Appointment of Community Budget Review Committee Members

BACKGROUND

As needed when positions become available, the Board of Education (Board) appoints Community Budget Review Committee (CBRC) members to assist in the annual budget process. The CBRC reviews, evaluates, and makes recommendations regarding the Superintendent's Proposed Budget and other budgetary issues identified by the Board. The CBRC also monitors and advises the Board on the allocation and expenditure of Local Option Levy funds.

The CBRC is currently composed of eight to twelve volunteer members appointed by the Board and typically meets on a monthly basis during the course of the budget development season. There are also student representatives.

Applications to join the CBRC were accepted through September 19, 2025. Staff received 23 applications, five of which were students.

Staff have submitted an amended CBRC charter to:

1. Expand student membership in the committee and
2. Increase the count of adult, three-year term members to up to thirteen.

Additionally, staff have submitted recommendations for CBRC appointees. The CBRC currently has eight three-year positions available. Adoption of the charter amendment resolution and appointment resolution would allow nine adult appointees and five student appointees to join the committee.

ANALYSIS OF SITUATION

The process involved pre-selection scoring of the applications and subsequent interview of ten adult applicants.

Applications were scored by a pre-selection panel consisting of:

- Adriel Person, current CBRC vice chair,
- Minyana Bishop, current CBRC member,
- Director Patte Sullivan, the Board representative to CBRC, and
- Director Stephanie Engelsman.

Factors for consideration during the interview phase included understanding of PPS's racial equity core values, relevant experience, ability to deliver on the charter of the CBRC, and ability to work collaboratively to provide advice to the Board regarding the investment of district resources to further support Board goals and district priorities. The CBRC interview panel members were:

- Director Patte Sullivan, the Board representative to CBRC, and
- Director Stephanie Engelsman.

All students were invited to an optional informational session.

FISCAL IMPACT

CONNECTION TO BOARD GOALS

A primary goal of the CBRC is to review the budget through the lens of making progress on the Board's goals.
