Date: January 29, 2026

To: Board of Education

From: Sarah R Norman, Executive Director of Bond Programming

Subject: Advanced Authorization for Ida B Wells High School Modernization

---

The Purchasing and Contracting Delegation of Authority Administrative Directive, 8.50.105-AD, provides:

- All District Contracts exceeding $150,000 shall be presented to the Board of Education on their consent agenda for approval.
- The District may seek "advanced authorization" from the PPS Board of Education for any contract, upon the approval of the Director of Purchasing & Contracting. The cost of the contract shall be a "Not to Exceed" amount. Once the Board has approved it, no further authorization for the contract is required, providing the contract value remains at or below the "Not to Exceed" amount.

When the Board provides advance authorization for a contract, it means that the contract can be signed by the Purchasing & Contracting Director as soon as it is fully negotiated and vetted by the Purchasing & Contracting department, without waiting for a subsequent Board meeting. Upon receipt of the fully negotiated contract, Purchasing & Contracting staff will undertake all steps of the standard contract review process. Contract work may begin only after the fully vetted contract is signed by authorized signers for both parties.

Staff seek advanced authorization for the following contract:

Contractor Name: Hoffman Construction Corporation

Contract Amount: $200,000,000.00

Contract Term: 3-5-2025 through 01-31-2027

Short Contract Description: Early work services for the Ida B Wells High School Modernization associated with Design-assist packages and procurement and coordination of long lead items

Solicitation Method: CMGC

Solicitation Issue Date:

05/31/2024

Contract Manager Name & Title: Jen Sohm, Sr. Project Manager

Reason for advance authorization request:

Background: In November 2025 per Board Resolution 7207, the Board of Education (BOE) approved the comprehensive plan for Ida B Wells High School Modernization with a total budget approval of $449,350.00.00 Following approval of comprehensive plan, final contract negotiation was completed and approved by the BOE per Resolution 7068, for pre-construction services totaling $956,730.00. To keep the Ida B Wells High School Modernization moving forward, we are asking for an early NTE Early work allowance of $200,000,000 which will allow our CMGC to procure long lead items, key design-assist contractors and begin early work needed to keep the modernization on schedule. This Not-to-Exceed amount will ultimately be reconciled within the GMP amendment which will be presented to the BOE January 2027.

I understand that I am seeking the Board's advance approval only and that no work may begin until the proposed contract (with all attachments) is reviewed by Purchasing & Contracting and signed by authorized signers for both parties.
