STUDENT PROPOSAL

(This draft policy is intended as an addition to 3.30.035-P, which would require renaming the title of the Policy; or it could be considered as a separate policy)

Overview:
Portland Public Schools is committed to providing a student-led, positive, and productive learning and working environment. Posted materials in both classrooms and public spaces should be appropriate, while uplifting student and teacher voices. This policy ensures that displays support academic achievement, foster respectful and civil discourse, and contribute to a safe and welcoming school environment for all students. PPS values centering equity, inclusion, student voice, and high-quality learning in both classrooms and shared school spaces.
