Resolution to Appoint Student Representatives to Portland Public Schools Board of Education Committees

RECITALS

A. The Portland Public Schools Board of Education Policy 1.20.014-P Board Committees authorizes Board committees to appoint, subject to Board approval, advisory members from the student body or community in order to obtain internal and external stakeholder input; and to determine the length of term for such advisory members.

B. Policy 1.20.014-P also states that advisory members may not be counted toward quorum requirements and may not vote on recommendations made to the Board.

C. Additionally, 1.20.012-P Student Representative and District Student Council Policy states that the Student Representative shall present opportunities to members of the District Student Council (DSC) to advise Board and District committees and task forces on issues of significance to the DSC and to Portland Public Schools students.

D. The Portland Public Schools Board of Education values student voice and seeks to strengthen student voice and engagement in the work of Board committees by appointing Student Representative members from the District Student Council.
