RE: $25,568,240 Award: PCEF's Collaborating for Climate Action, MESD as Fiscal Agent
Date: April 14, 2026

Introduction
The goal of this memo is to provide an overview of funding awarded by the City of Portland's Portland Clean Energy Fund (PCEF), particularly the new grant award from PCEF's Collaborating for Climate Action and the Intergovernmental Agreement (IGA) from Multnomah Education Service District (MESD) serving as fiscal agent.

Background

PCEF's Strategic Program 16- Climate Friendly Public Schools
Portland Public Schools (PPS) was previously awarded $19,930,833 Portland Clean Energy Fund (PCEF) under their Strategic Program 16: Climate Friendly Public Schools. PPS signed that Intergovernmental Agreement on April 24, 2024, and the award runs through June 30, 2029. There are two separate components:

1. $3,000,000 for Student-Led Climate Initiatives, Grades 6-12. $600,000/year for five years, with $15,000 per school: $10,000 for student-led climate initiative plus $5,000 for school/district staffing costs.
2. $16,930,833 for Physical Improvements for projects that reduce greenhouse gas (GHG) emissions and improve climate resiliency. An agreement with PAT commits $10,000,000 of this funding to thermal comfort projects.

PCEF's Collaborating for Climate Action (CCA)
Multnomah Education Service District (MESD) serves as the fiscal agent for PCEF Collaborating for Climate Action (CCA) grant award for energy efficiency upgrades and green schoolyard projects in Portland schools. MESD was awarded $70,377,287 for six school districts plus Coalition for Communities of Color. PPS was awarded $25,568,240.

MESD signed the *Grant Agreement* with PCEF. In addition, all partners have signed the *Collaborating for Climate Action Partnership Agreement*, a Community Benefits Agreement with expectations for each school district to sub-contract with the Coalition of Communities of Color for community engagement with a focus on priority populations in impacted schools.

PCEF CCA Award with MESD as Fiscal Agent

District	% Share	Amount
Centennial	10.00%	$6,972,523
DDSD	25.42%	$17,724,152
MESD	7.08%	$4,936,546
Parkrose	12.08%	$8,422,807
PPS	**36.67%**	**$25,568,240**
Reynolds	8.75%	$6,100,957
TOTAL		**$70,377,287**

Note: Amount per district includes their Community Engagement sub-contract to Coalition for Communities of Color.

PCEF defines eligible schools as schools located in Portland with 50% or greater students qualified for free or reduced meals by direct certification, based on the most recent published data by Oregon Department of Education. The amount of our award from PCEF is based on the number of PPS schools eligible for infrastructure upgrades, which is currently thirty-four schools: Arleta, Beach, Boise-Eliot/Humboldt, César Chávez, Chapman, Clark, Creston, Faubion, George, Harriet Tubman, Harrison Park, James John, Jefferson, Kellogg, Kelly, Lane, Lee, Lent, Dr. Martin Luther King Jr., Marysville, Ockley Green, Peninsula, Pioneer, Rigler, Roosevelt, Rosa Parks, Roseway Heights, Scott, Sitton, Vestal, Whitman, Woodlawn, Woodmere.

PPS identified schools for the proposed energy efficiency upgrades and green schoolyards based on current school conditions, heat index, community demographics and equity considerations.

PPS's grant proposal for the CCA includes the following infrastructure improvements:

- Upgrade HVAC, Water Heaters, and Windows at Woodmere Elementary.
- Upgrade Water Heaters and Windows at César Chávez K-8.
- Green Schoolyard Improvements at: César Chávez, Kelly, Lee, Lent, Sitton, Woodmere.

Timeline for Implementation

The grant period is January 1, 2026 through December 31, 2030.
