How We Show Up for Each Other and Ourselves in This Conversation

This conversation is different. It's not just about ideas; it's about real decisions that affect real schools and communities. So how we show up matters just as much as what we say.

STAY GROUNDED IN PURPOSE

SPEAK FROM YOUR EXPERIENCE, NOT FOR EVERYONE

HONOR THE WEIGHT OF THIS CONVERSATION

MAKE SPACE FOR EMOTIONS, STAY GROUNDED IN ENGAGEMENT

LISTEN TO UNDERSTAND, NOT TO RESPOND

MAKE ROOM FOR MULTIPLE REALITIES

NAME IMPACT WITH RESPECT AND CARE

BALANCE PARTICIPATION

RESPECT THE SPACE RESPECT ONE ANOTHER

CONTRIBUTE TO SHARED UNDERSTANDING

WHY
Centering student experience and impact. Lifting family voice and Grounding in operational realities and school-level insight

Equity Lens in Rightsizing

PPS is committed to transparent and student-centered decisions.

Our district continues to direct resources based on student need and uses data and community input to inform decisions.

Key questions guided this process:

- ➔ Who is impacted?
- ➔ Does this recommendation reduce disparities?

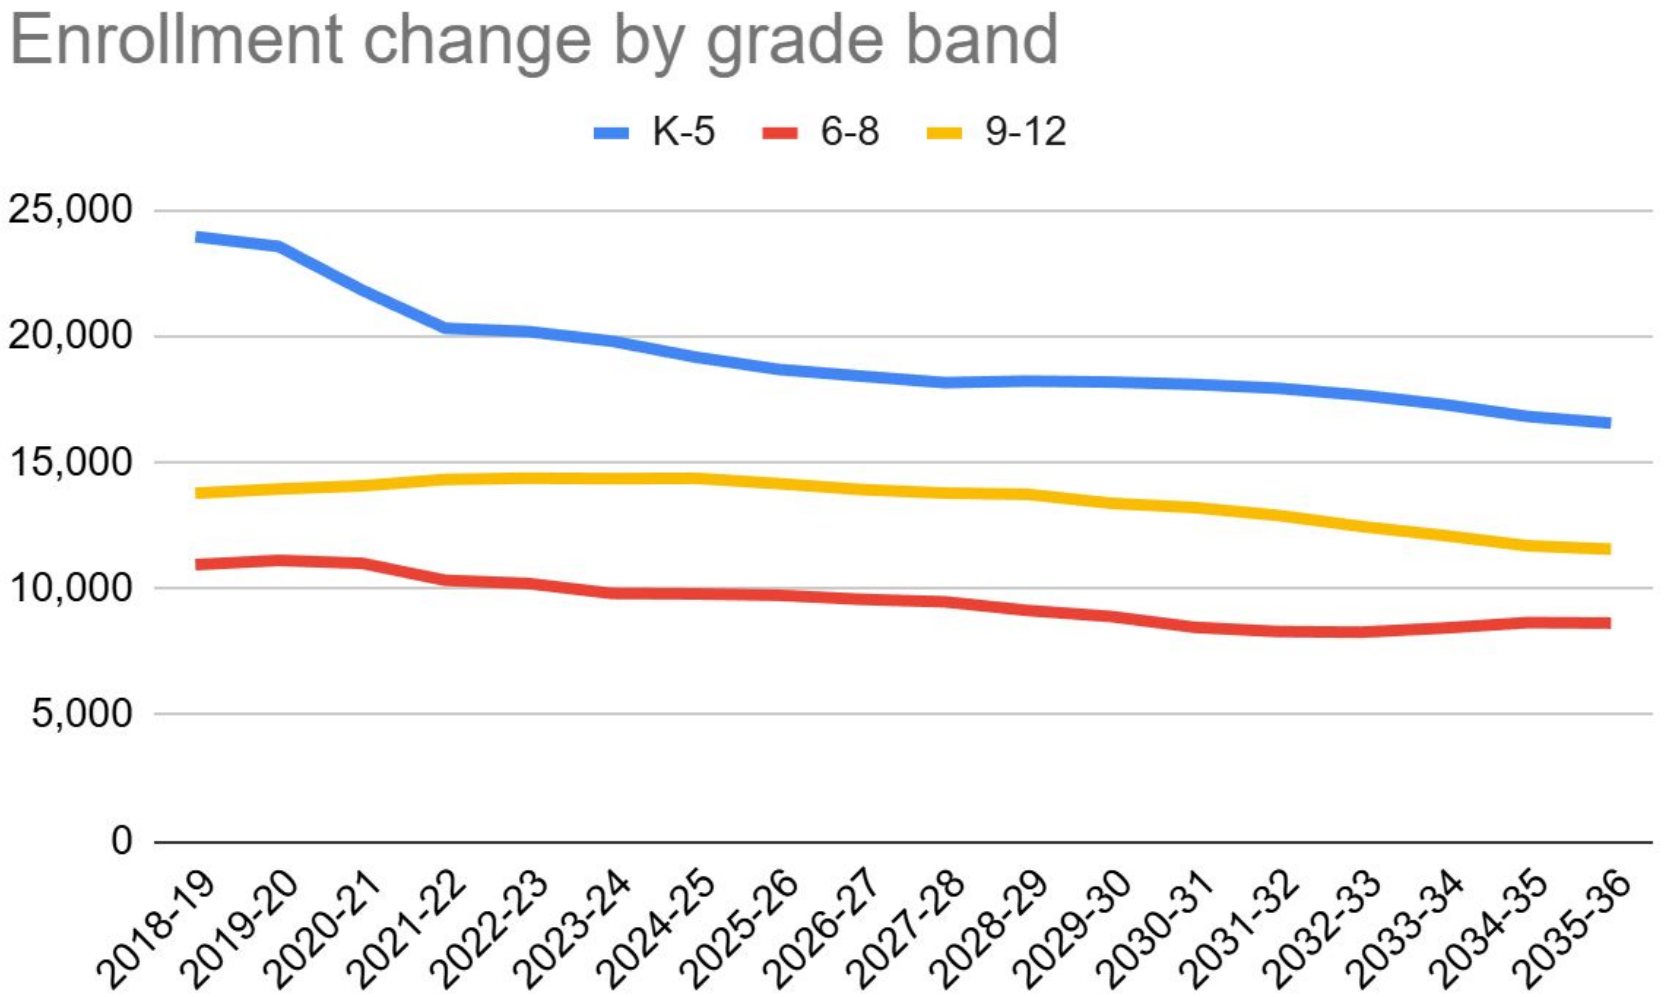

As the District faces difficult decisions to close the budget gap, it is critical we hear from communities to inform planning for future school years.

Enrollment: Median and Range

As of October 2025	# of Schools or Pgms	Median Enrollment	Range
K-5	45	269	560 - 160 = 400
K-8	11	446	610 - 207 = 403
Middle	15	447	689 - 358 = 331
Alternative	3	275	324 - 217 = 107

Ranking the Factors

Factors to Consider From Policy

Rightsize. Right Conditions.

Right Pathways

A feeder pattern that allows as many students as possible to continue together from one school level to the next

Right Mix of Students

Schools reflect and support the diverse identities of students, including race, language, and background

Right Boundaries

Compact boundaries that promote safer routes to schools and a sense of community as well as recognize and address natural and human-made barriers

Right Use of Space

School buildings are used in ways that support strong programs, full classrooms, and access to resources and opportunities for students

Right Balance

Program and enrollment stability in the surrounding schools

Right Impact

Limiting the impact of boundary changes to the smallest number of students possible
