Time: 4:43 pm

Staff: Emily Glasgow

Committee Chair Julia Brim-Edwards stated she would not be recommending the draft policy to the Board for further consideration due to a lack of support. She raised concerns about its current form, and suggested focusing on improving enrollment practices. Staff shared initial efforts to make enrollment more welcoming and inclusive, including early kindergarten outreach and a broader enrollment campaign.

There was discussion regarding creating uniform information sharing, with staff noting the difficulties in ensuring uniform information provided to families due to the various first point of contact for families. There was a request for a map of pre-K and Head Start sites with details about funding type for each site.

Draft Proposed New Policy x.xx.xxx-P: Solicitation Registration and Reporting

Time: 5:15 pm

Staff: Liz Large and Emily Courtnage

Staff provided an overview of the newest revisions to the policy, indicating the revised policy was posted just before the meeting. Board members asked questions about how the policy would regulate contractor and solicitor interactions, including the registration processes, alignment with state laws, and implications for current and future contractors. There was discussion on how different types of purchases would be categorized under the policy.

Draft Revisions to 1.20.012-P Student Representative and District Student Council Policy

Time: 6:05 pm

Student Representative JJ Kunsevi provided a summary of the two proposed changes to the policy which allow for two representatives per school instead of one and an alternate, and lowering the meeting attendance requirement for credit from 90% to 80%. It was noted that the changes were reviewed by high school leadership staff, who raised no concerns. A request was made to add the revised policy to the May 19 board agenda for a First Reading, pending approval from the Board Chair.

Actions:
