Annual Comprehensive Financial Report (ACFR)

Time: 5:08 pm

Staff: Michelle Morrison
Talbot Korvola & Warwick, LLP (TKW): Dan Miley

The external auditor from Talbot Korvola & Warwick, LLP (TKW) presented the results of the Annual Comprehensive Financial Report (ACFR) audit, outlining the audit process, relevant federal and accounting standards, and issuing an unmodified opinion, indicating that the district's financial statements fairly represent its financial position. The audit identified several procedural findings; however, it was noted that none of the findings involved loss or misuse of funds. Staff have submitted a corrective action plan.

Committee members asked clarifying questions regarding the findings, long-term implications, internal controls, and future reporting timelines. Staff explained that the issues were related to internal processes, that corrective measures and strengthened oversight systems have been implemented, and that the

findings are not expected to affect the district's bond sales. The Committee agreed that they are in support of the draft ACFR acceptance resolution that is posted with the February 10, 2026 Regular Meeting materials.

Management agreed with all nine recommendations, and staff will return at a future meeting to present an implementation plan.

Committee members provided comments. It was noted that the report is now considered final and the report is included in the supplemental materials for the next Regular Meeting.
