Review of 7.00.000 Community Policies:

Committee Chair Michelle DePass noted that originally the Committee was going to look at the 1.00.000 level policies, but as there is interest in reviewing the 1.00.000 level policies as the full board, the committee will move to the 7.00.000 level policies. Staff shared that the proposed revisions primarily modernize the policy language, noting that they have reviewed comparable policies at neighboring school districts and identified differences.

It was noted that the Districtwide Advocacy and Fundraising Policy 7.10.020-P will not be reviewed except for the language modernization since it's been revised recently.

7.10.010-P School-Site Councils

Time: 4:49 pm

The Committee reviewed proposed policy revisions. Consideration was given to adding a value statement supporting student participation in school-site councils, as well as clarifying the use of "will" in place of "shall," with a recommendation to address this clarification within the Policy on Policies. It was noted that further revisions, including proposed student language, would be brought forward for future consideration.

Committee members expressed support for the recommendation and agreed to the policy to the Board for rescission.

7.20.020-P Volunteers

Time: 5:13 pm

Committee Chair DePass summarized the proposed changes to Policy 7.20.020-P Volunteers. Staff recommended the recession of 7.20.040-P Citizen - Community Sponsored Contests, noting that it is out of data and the purpose of the policy is unclear. Committee okay with moving forward with the recession.
