School District No. 1J, Multnomah County
Board of Education

Tuesday, April 21, 2026
Facilities Improvement and Oversight Committee Meeting

Informal Meeting Minutes

In accordance with ORS 192.650, the District's official School Board Meeting Minutes are maintained via video recording and may be viewed at: https://www.youtube.com/@ppsboardofeducation

Pursuant to notice made by posting to the Board's public notices webpage and emailed to persons on the mailing list, a Facilities Improvement and Oversight Committee Meeting of the Portland Public Schools Board of Education was held at Dr. Matthew Prophet Education Center , 501 N. Dixon St., Portland, OR 97227 and streamed live at: https://www.youtube.com/@ppsboardofeducation/live

Attendance

Committee Members: Director La Forte; Director Chase-Miller

Other Attendees: Liz Large - Senior Legal Counsel; Tom Odgers - Chief Integrations Officer; Sara Norman - Executive Director (Procedeo); Joanna Evenson - Senior Director, Real Estate; Corey Squire - Bora Architects; Brad Wilson - PAE Engineers; Effie Greathouse - Community Advocate

Call to Order / Introductions

Committee Chair La Forte called the meeting to order at 4:36 pm.

Public Comment

- Angela Bonilla – Expressed the Portland Association of Teachers support for projects that maintain quality air in classrooms.
- Dr. Jerome M Adams – Stated support for improving air quality in classrooms.
- Afton Wilcox – When making recommendations for school consolidation, please take into account schools on the list for seismic upgrades.

Committee Chair Invited Comment: Safe Indoor Air Quality for Oregon Schools - McDaniel High School Air Quality Report

Dr. Effie Greathouse (Safe Indoor Air for Oregon Schools) presented an independent air quality report using airflow data. She highlighted the variation in air purifier usage across the district and recommended expanded deployment and required use of existing purifier inventory.

Air Quality Standards, Modernization Design, and Deployment

Brad Wilson and Corey Squire presented on indoor air quality design standards for the Cleveland, Ida B. Wells, and Jefferson modernization projects, including target CO2 levels, MERV-13 filtration, and operable windows in every classroom. Joanna Tobin reviewed the district's air purifier deployment history and current inventory, noting over 6,000 units delivered since 2020 and approximately 2,500 units remaining in storage.

Board members had questions about school-level education on purifier use, the distinction between particulate filtration and CO2/VOC reduction, window functionality and maintenance in older buildings,

custodial maintenance protocols for filters, and the feasibility of requiring (rather than encouraging) purifier use in classrooms.

Portland Clean Energy Fund (PCEF) Grant Award and Projects

Staff provided an update on two PCEF grants: the PCEF Strategic Program 16 Climate Friendly Public Schools (SP16), and the Collaborating for Climate Action grant, covering student-led climate projects, HVAC and infrastructure upgrades, and green schoolyard initiatives.

Other Business and Future Agenda Items

There was a request to follow up on outstanding questions regarding purifier deployment communication and air quality monitoring processes for a future meeting.

Adjourn

Committee Chair La Forte adjourned the meeting at 5:37 pm.
