Student Representative's Report

Student Representative Sandell welcomed the start of the school year and the return of fall sports, and acknowledged the challenges to the year ahead.

Student and Public Comment

- Jody Scheer – Urged the Board to adopt a policy limiting digital device and screen use in schools.
- Rosy Boyer – Asked the Board to establish and publicly share a clear, equity-centered framework for Rightsizing decisions before individual school closures are proposed.
- Matt Landon – Raised concerns about the conduct of community bike-ride groups near PPS properties and requested that the District pursue trespass restrictions.
- Frances Chewning – Raised concerns about the accuracy of school-size research being cited in the Rightsizing discussion.
- Matt Coolidge – Stated concerns that the Rightsizing process has felt rushed and lacking in clear criteria, and asked the Board to consider enrollment-growth strategies before closing schools.
- Rion Lyle – Winterhaven parent who asked the Board to look at waitlists and retention rates, when developing Rightsizing criteria.
- James Powell – Urged the Board to keep Winterhaven open, citing its STEAM program and staff stability.

- Kimberly Grilc – Asked the Board to preserve focus-option programs and to consider schools' full educational and community value, not just building utilization.
- Sam Bullick – Asked the Board to evaluate Winterhaven based on its total education rather than building utilization alone.
- Chelsea Riordan – Asked for greater transparency about the goals and anticipated benefits of the Rightsizing process.

Comments from our Union Partners

Portland Association of Teachers (PAT) President Alicia Chavez raised concerns about the proposed Superintendent contract extension in light of recent educator furloughs, workload and layoffs.

Report to the Board: Community Budget Review Committee (CBRC) Local Option Levy

Chief Financial Officer Michelle Morrison presented the Community Budget Review Committee's annual Local Option Levy report citing a decrease in local option levy collections which contributed to the District's 2025-26 budget shortfall. The Board thanked Director Sullivan for her leadership on the Committee.

Racial Equity and Social Justice Student (RESJ) Support Service Strategy: Overview and Update

Chief Equity and Accountability Officer, Renard Adams, provided a follow-up to the RESJ partner contracts memo shared with the Board in June. Staff described plans to strengthen partner-impact measurement through pre- and post-service surveys aligned to each strategy, noted improvements in attendance and on-track graduation indicators among partner-served students, and discussed an increase in reported discipline incidents attributable largely to newly tracked minor-infraction categories. Board members asked clarifying questions regarding partner evaluation criteria and accountability.

Break from 7:14 pm - 7:56 pm.

Update: Rightsizing

Chief of Operations Jon Franco and Executive Director of School Planning and Modernization Margaret Calvert provided an update on Rightsizing, and asked the Board for direction on the magnitude of scenarios that staff should continue to develop.

Board members offered a range of perspectives on magnitude: several Directors expressed support for a more comprehensive approach intended to stabilize the system for a longer period, while Director Splitt favored a more targeted, incremental approach, and Director La Forte asked to see a fuller range of options. Director Englesman stated she did not yet have sufficient information – particularly a cost-impact analysis – to weigh in on magnitude, and asked that such analysis be provided before any vote. Staff indicated that community engagement, including school site visits, will continue through the fall and into January, with a further work session scheduled for September 15.

Superintendent Contract Extension (Resolution 7371)

Public Comment

- Tiffany Koyama Lane - raised concerns about the timing of the proposed increase given recent educator furloughs and layoffs
- Angela Bonilla - shared concerns about Superintendent contract extension
- Maya Pueo von Geldern - spoke in support of the extension, citing comparable superintendent salaries in other districts and the costs and disruption associated with a superintendent search.

Actions:

- Director DePass moved, and Vice-Chair Chase-Miller seconded, adoption of Resolution 7371, Resolution to Authorize Superintendent Contract Extension. The motion was put to a vote and passed (5 yes – 2 no – 0 abstain).

  Chase-Miller: Yes; DePass: Yes; Engelsman: No; La Forte: No; Split: Yes; Sullivan: Yes; Wang: Yes.

Consent Agenda: Resolutions 7367 through 7370, and 7372 through 7376

Four resolutions – relating to school reading-intervention results and three Catapult Learning West contracts – were initially pulled from the Consent Agenda for separate consideration pending additional information from staff. After Chief Academic Officer Glasgow confirmed that the outstanding information had been resolved, all four items were returned to the Consent Agenda prior to the vote.

Actions:

Director Splitt moved, and Director DePass seconded, the motion to adopt the Consent Agenda: Resolutions 7367 through 7370 and 7372 through 7376. No members of the public signed up to comment on the Consent Agenda. The motion was put to a vote and unanimously passed (7 yes – 0 no – 0 abstain).

Note: Because Resolutions 7372 through 7375 were returned to and adopted as part of the Consent Agenda, separate votes on those resolutions (Agenda Items 12 through 15) were not conducted.

Other Business, Committee Referrals, and Future Agenda Items

- Chair Wang will circulate a request for committee liaison assignment preferences for the coming year.
- Director Englesman raised ongoing community concerns regarding bird strikes at McDaniel High School and requested a future update from staff.
- Director Englesman suggested that information currently tracked in the Board's internal question tracker be made available to the public where appropriate, and asked to discuss the pros and cons of doing so at a future meeting.
- Director Englesman requested a full-Board update on the bond program; staff confirmed this update is scheduled for the September 15 Board meeting.
- Director Englesman indicated she plans to circulate a draft resolution regarding a review of the District's management structure and span of control, for discussion at a future meeting.

Adjourn

The meeting was adjourned at approximately 10:36 pm by Chair Wang.
